TBC Membership Benefits

BikeTexas Today Newsletter

Members will receive *BikeTexas Today*, the official bi-monthly newsletter of the Texas Bicycle Coalition. It carries statewide news for bicyclists and those with an interest in bicycle access, safety, education, and advocacy. Each issue will be delivered to your door, post office box, or email box.

Exclusive Subaru Package

Members of the Texas Bicycle Coalition that purchase a new Subaru vehicle have the opportunity to receive a special TBC Member's package worth over \$600 from Subaru of America, Inc. The Subaru package includes a free rooftop bicycle rack, a two-year/24,000 mile extended maintenance agreement, and a \$150 contribution to Texas Bicycle Coalition Education Fund in your name making you a Legacy Sponsor. You must be a member of TBC for three months and purchase a new Subaru vehicle to qualify.

Member/Club Support

Members can request a presentation by a TBC staff member. We'll assist you in responding to anti-cycling articles in your local newspapers, educating your community, supporting safer cycling, and much more. When possible we'll attend and participate in your events.

Three Top-notch Websites, Email Alerts, & Resource Sheets

Members with web access can enjoy our three up-to-date websites (listed below) each with a special focus - advocacy, education, and Safe Routes to School. We'll send you email alerts to keep you informed on upcoming events and urgent matters. We also have resource sheets available, by request, on a variety of cycling issues.

A Voice in Austin & Washington, D.C.

Membership in the Texas Bicycle Coalition gives you a voice in state and federal transportation issues - perhaps the most important membership benefit. Your membership assures that there is a collective voice for cyclists in Texas and for Texans. The larger our numbers, the louder our voice!

TBC Cycling Event Sponsorship Benefits

Please consider sponsoring the Texas Bicycle Coalition through your cycling event. Your dollar per rider sponsorship will not only support TBC's efforts to keep the roads open and safe for riders, you'll receive an extensive events package worth much more! Contact TBC for a sponsorship form and more details. Here's an overview of what your dollar per rider sponsorship includes:

Special Events Insurance - We offer event insurance at a discounted rate that will beat your current rate by 20-50 percent, maybe more.

Advertising - Through the distribution of our newsletter, and ride and event listings on our website - from which we will create a link to your website - we'll reach thousands. We will also provide you resources to distribute ride registration materials to bike clubs and bike shops throughout Texas.

Support - Put our staff experience and resources to work, just send us an email or call with your event organizing questions. Inquire about our TBC Ride Organizer's Manual as well.

Educational Route Signs - We have a series of creative and informative signs for use at your event.
